

# Curriculum Vitae

## Personal Information

**NAME** Olof Landahl  
**ADDRESS** Godhemsgatan 44A, 414 68 Gothenburg, Sweden  
**MOBILE** 0704 66 51 62  
**EMAIL** [oloflandahl@gmail.com](mailto:oloflandahl@gmail.com)  
**HOMEPAGE** [oloflandahl.com](http://oloflandahl.com) (inkl portfolio)

## Work Experience

**DATES** March 2013 - May 2014  
**COMPANY** DiUS Computing / Vodafone, Sydney, Australia  
**POSITION** Front End Web Developer  
**DESCRIPTION** Consultant at DiUS, working at Vodafone.  
Built an internal responsive framework to refresh [vodafone.com.au](http://vodafone.com.au) (VCA), create reusable components and make look and feel consistent across all three Vodafone sites.  
I also did other work on VCA and [myvodafone.com.au](http://myvodafone.com.au).  
Worked in agile teams and attended several training sessions in agile methodologies.  
**TECHNOLOGIES USED** HTML5, CSS3, SASS, AngularJS, jQuery, Jasmine, GitHub, NodeJS, Grunt, Gulp, BackboneJS, FatWire CMS, SVN.

**DATES** June 2008 - January 2013  
**COMPANY** TIBCO Software Spotfire Division, Gothenburg, Sweden  
**POSITION** Software Developer  
**DESCRIPTION** Worked in the Visualisations team with both the Windows and the web client. I was mostly doing front end work, focused on visualisations and user interfaces but also back end, data access, client-server integration, etc.  
**TECHNOLOGIES USED** C#/.NET, Visual Studio, jQuery, HTML, CSS, NUnit, WinForms, ASP, SVN.

**DATES** February 2008 - June 2008  
**COMPANY** Carmenta AB, Gothenburg, Sweden  
**POSITION** Software Developer  
**DESCRIPTION** I worked mostly with GIS applications but was also responsible for quality checks on geographical data.  
**TECHNOLOGIES USED** C#, C++, Carmenta Engine
